Application for Summer Research Appointment  
NSF-Nanotechnology Undergraduate Education  
Michigan Technological University

Instructions:
1. Please type or print answers neatly.
2. Attach a letter of recommendation from one MTU faculty or research staff member.
3. Attach a copy of your transcript. A web version is satisfactory.

Name:__________________________________________ Email:____________________________________

Major:_________________________________________ Phone #:____________________________

Circle one designating your current class:     Freshman         Sophomore            Junior

1. Please briefly describe your area of research interest for this summer. If you have contacted any faculty about research or studied their areas of research on the web, describe that here as well.

2. Aside from financial reasons, why do you want to work in a nanotechnology related area of research this summer?
